
Late 30\'s bbw/ssbbw and fetish man here.

Posted by Fetish man - 2008/05/08 17:19

Hi I am a late 30's male in the midlands-bhm/larger male and love bbw's/ssbbws. However I also love latex/boots etc and have never met a bbw/ssbbw who likes the same. Is there any of you out there? If so drop by and say hi.

2812 views of this at the time of writing - most are 50-400. Am I unique? There must be some bbws out there with some interest.
