
Hi.....New member from Berkshire!

Posted by Berkshiremale - 2008/08/06 12:56

Hi Ladies and Gents,

My names Danny and this is my first post!

It's such a refreshing change to find a site that's full of genuine BBW and BHM and not full of fake profiles and fake people!

I'm looking for new friends who I can e-mail and get to know as you can never have too many friends. I'm also looking to become a very active member of the group and post on a regular basis!

I'm single, happy, fun-loving and I love living life to the full. I live in Reading/Berkshire and I work for an IT company.

Well that's enough of the boring stuff about me....let the posting begin!!!

Danny

Absolutely gutted!

I can't access the Chat Room from work as it doesn't connect! (must be the firewall at work or something!)

Looks like it's going to have to wait until I get home later this evening...sob, sob!!

Re:Hi.....New member from Berkshire!

Posted by Berkshiremale - 2008/08/07 07:34

Well here goes...

I'm seperated with two boys aged 7 & 8.....as far as pets go there are 12 goldfish which was a real nightmare considering I went in to buy 2!!

I'm straight, 6'2" tall, blue eyes with short brown hair. (as per previous post). I play football and rubgy so I'm quite active when I want to be..lol!

As for what I'm looking for, well it's early days at the moment as I've just started using the site. I'm looking to make new friends, have some fun on the site, exchange e-mails, chat and generally see how things go.

I obviously love BBW and everything about them. Real women have real curves and the bigger the curves the happier I am!!!:)

Oh, and as we discussed....I have certain "thing" for PVC/leather...lol...but don't worry, I'm not a major league perv monster, I just think that BBW look gorgeous in PVC/leather!!:woohoo:

So there you go...a bit more about me....hopefully it hasn't put you or any potential friends off me!!

Surely it must be your turn now!!:)
