
People needed for a C4 doc with Grayson Perry!!

Posted by mollys - 2013/05/09 18:22

Hello,

We are making a 3-part series with an artist called Gayson Perry for C4. He is creating a series of portraits of modern Britain.

One of the portraits involves gathering together about 100 people. The artist will then make a tapestry for The National Portrait Gallery.

Please get in touch if you would like to take part on May 26th for a few hours.

Thank you!
