Posted by ZigZag - 2013/07/09 17:08

Channel 5 documentary is looking at issues affecting overweight people while travelling or on holiday.

Have you been refused entry to a theme park ride?

Denied a seat on a plane?

Has your day out been affected by your size?

Are airlines, theme parks or holiday resorts oblivious to issues affecting larger people?

We would love to hear from you. Please call Filip on: 0207 017 8755 or email: filip.wyganowski@zigzag.uk.com

Thanks!
