
looking for nice bbw.. as a friend

Posted by saami - 2013/09/28 08:43

Hi readers.

It sounds like typing a CV.. In short I'm simple, honest and really down to earth for any nice and decent girl... I like to go to restaurants and cinemas. Or to a place where I could relax..... If there is any Londoner BBw where who would like to be my friend.. Please just msg me...

Thankx ...
