### Brand New Weight Loss Series

Maverick TV, the makers of Embarrassing Bodies, My Naked Secret and Extreme Beauty Disasters, are making a new documentary series featuring Dr Christian Jessen who will be working with contributors to explore a new motivational approach to dieting.

We are looking for people that are over weight and would like to take part in a new Dieting challenge.

During each episode two overweight people will go head to head in a tough weight loss challenge.

Are you up for the challenge?

Please do not hesitate to get in touch with me directly on the details below for more info or an application form

All the best
