Are You a Woman (Aged 18-25) Who is Proud of her Curves?

ITV's flagship current affairs series, Tonight, are making a programme examining the issue of obesity in young women, and as part of this are looking to speak to young women who embrace their larger figures.

If your BMI (calculated on NHS website) would be classed as overweight / obese, but you're happy with the way you look, and have no intentions to slim down, then please get in touch - holly.bryson@itv.com / 0161 952 1004
