
Big women in loving relationships

Posted by Frances - 2011/02/05 10:52

Hi, I'm a journalist looking for big women size 20 and above who are in loving relationships. I'd love to speak to you if you would be happy to be pictured and to talk about why being big is sexy, why your man loves you being big and why you really don't hanker after being skinny. You can contact me on franceschilds_uk@yahoo.co.uk

Thanks,
Frances
