New Gallery

Posted by Richard - 2008/04/17 05:38

Try the New Gallery. Select from the menu on the left to see a random selection of BBWs, BHMs, FAs and Chatters. Click on New Gallery to run the new Gallery interface utilising the well known Coppermine gallery component.

Some of the features include an improved search function.

The ability to email the pictures from the gallery to a friend with your own message.

Try it and see.
